### **NYC Hospital Chooses Hudson Valley Landscapes for Their New Cardiovascular Building**

**New York, NY** – Columbia Presbyterian Medical Center has selected five prints by Hudson Valley photographer **Robert Rodriguez Jr.** to be on permanent display at their new renovated building, [The Milstein Family Heart Center](#), is a six-story, 142,000 square-foot building featuring dramatic glass curtain facade and offers sweeping views of the Hudson River.

Art Consultant **Bernice K. Leader** from [Leader Associates Art Consulting](#) chose "Jordan Pond Colors", "Lake Tiorati Sunrise", "Magic Moment", "Drops of Water", to be displayed at the 1st floor open space atrium. A 20x60 canvas of "Lake Tiorati" was chosen for their ICU unit.

Robert is humbled that his serene landscapes is on permanent display at one of the most respected hospitals in New York City. He hopes that patients and doctors will have a glimpse of the beauty of nature here in the Hudson Valley.

#### **About Robert Rodriguez Jr**

Robert Rodriguez Jr is an award winning professional landscape photographer specializing in landscapes of the Hudson Valley. Seeking to capture the beauty, or convey the emotional qualities of a place or moment in nature, his images have elicited responses ranging from evocative, to spiritual and breathtaking. His images have appeared in numerous publications including the NY Times, and his work has been used by many non-profit organizations including Scenic Hudson, the Mohonk Preserve, and Audubon Society. His studio is located in Beacon, New York, and his work is on permanent display at the Riverwinds Gallery in Beacon, NY
